North American Division Year-end Meeting

Transformational Evangelism

Transformational evangelism is when the grace of God springs to life in the congregation and compels members to intentionally share the grace with their communities resulting in hope and wholeness for both.

2. Evangelism Culture

- Every member senses his or her call to ministry
- Every member becomes a disciple
- Pastors will understand their biblical role of equipping, coaching, mentoring
- The church becomes a safe place for sinners
- A church that prioritizes its resources for mission
- A church that leaves the community better than it found it
- The church is intentionally focused on reaping a harvest
- More and more people are joining the congregation in its mission

North American Division Year-end Meeting

2. Evangelism Culture

- A Christ-centered theology, not hijacked by fringe hobbyhorses
- A church characterized by joy and the freedom to laugh
- Faithful to scriptural authority as the rule of faith rather than tradition
- The church is intentionally focused on reaping a harvest
- More and more people are joining the congregation in its mission
