

Adventist- laymen's Services and Industries (ASI)

2017 NAD YEAR-
END MEETING
REPORT

Section Name
Mission:

ASI is a Seventh-day Adventist organization of supporting ministries, businesses and professionals who are responding to the call of God to actively share Christ's love with the world.

“Sharing Christ in the Marketplace”

Vision 1:

Activate every lay business and professional member in the North American Division to support the mission of the Church by sharing our Christ-centered message of Hope and Wholeness with the world.

Vision 2:

Work directly with every conference and union in the North American Division to enhance relationships and raise awareness of our common goal to engage lay business and professional people for mission.

Vision 3:

Open new funding channels for specific missional projects in the North American Division.

United for Mission:

“The work of God on this earth will never be finished until the men and women comprising our church membership unite with the church officers and pastors to finish the work.”
